### Darren's Dialogue...

I am looking forward to an exciting summer. The show is better than ever, the support is stronger than ever and I know that God is getting ready to do something amazing. I have a great new board of directors, a new practice stage, thanks to my church family, a new routine that has been added and I just found out that I am going to be a dad for the second time. God is doing some great things and I can't wait to be a part of it.

The one thing I really need help in is the financial situation. You may have noticed on our "annual budget needs" page that there are a lot of expenses that go into this ministry and even some special needs that I would like to have met. If you could help me out in that area, I would appreciate it. The other way to help us out is to pray for me. Pray for more opportunities than I can fulfill, pray for the funds to come in abundantly so that I can return the favor and give some back to other struggling ministries. I will be honest and say that finances are not my strong point, they are my wife's. However, with a budget and a board of director's to hold me responsible I know we can and will use the finances wisely. If you would like to donate the funds for something specific that would be great, or you can donate that actual item I need.

Enough about finances... I am working for an organization called HOTCADA (Heart of Texas Council on Alcoholism & Drug Abuse). They have purchased some magic for me to use to demonstrate the harmful affects of drugs and alcohol to kids and teenagers. I go into schools and do curriculum. This job has allowed me to fulfill one of my goals in doing drug and alcohol presentations. Not only have I done them, but now I know how to do them for future BLI presentations.

Last summer I purchased a program from SMI (Success Motivation International). After going through the several weeks of material, I now have an incredibly strong success and motivational presentation.

God has opened all kinds of doors for me this past year. I am looking forward in sharing what He has shared with me. I look forward in seeing you soon! Until then, check out the website, we have a store, facebook, my board of director's page, a video and more still to come.

Until next time...

God Bless!
